

## Psychedelic Architecture

Tuesdays 4-5p FREE

A focus on the creative process of playing, and creating music. This informal lesson process involves an exploration in aspects of freeform writing, improv, and sharing techniques. Come with an open mind and a desire to learn and play out of your comfort level. Expand on learned methods and develop a new thought process in the art of creating music. Sessions are met on an individual basis.

## Open Mic

Last Thursday of every month 7-9 FREE!

Every last Thursday of the month Ground Zero hosts an Open Mic for performers of all kinds. Sign up starts at 7p and it's free to watch and to perform. Come at 6p for free dinner at our weekly Teen Feed!

## Music Advisory

Thursdays 5-6

Want to be a part of the Eastside's vibrant music community? Want to contribute to making Ground Zero's Music Program even better than it already is? Come to our weekly Music Advisory meetings and get involved!

## Band Pool

First Tuesday of the month 6-7 FREE

A monthly meeting held the first Tuesday of every month at 6pm. This is a program designed to introduce Ground Zero to newly established Eastside bands, give a brief history on the building, discuss the requirements for planning and playing a show, and scheduling the attendees a show at Ground Zero. Participants will gain valuable experience in booking, promoting and get a first-hand look at the Seattle/Eastside music community.

## Breakdancing

Thursdays 7-8 FREE!

Learn all the moves and develop your own unique break-style! This free weekly class will teach you everything you need to know to be a super fly b-girl or b-boy.

## Live Sound Engineering

Fridays 4-5

April 1 – May 27

\$25 (for 8 week session)

This class is an introduction to live sound and a how-to of mixing bands in a concert venue. (No prior live sound experience is necessary.)

Topics covered will include basic PA setup, microphone placement, mixing techniques, EQ and outboard gear, repairing broken cables, how to run a successful sound check and how to further your career as a successful audio engineer.

## Guitar Lessons

Wednesday 5-6 April 6 - May 25

\$40 (for 8 week session)

This intro class will teach you the basics of guitar, help you learn how to play with other musicians, and even how to start your own band! No experience or equipment necessary.

## Drum Lessons

Wednesday 4-5 April 6 - May 25

\$40 (for 8 week session)

This intro class will teach you the basics of playing a drum kit. From basic rock beats to fills and more, this class will get you ready to play with other musicians and even start your own band! No experience or equipment necessary.

## Bass Lessons

Wednesday 6-7 April 6 - May 25

\$40 (for 8 week session)

This intro class will teach you the basics of bass guitar, help you learn how to play with other musicians, and even how to start your own band! No experience or equipment necessary.

## Songwriting Lessons

Wednesday 3-4 April 6 - May 25

\$40 (for 8 week session)

Students examine the craft of writing a song and investigate how structure, melody and lyrics function together to create a well-written song.

## Button / Sticker Making

Thursdays 3-4 – Starts April 7th

\$5 material cost

Have a band? Want to learn how to make your own stickers and buttons to help promote it? Or maybe you just want to make them for fun! Either way, every Thursday from 3-4p Ground Zero offers a place and the equipment to design and make your very own stickers and buttons.

## Silk Screen Classes

One Time Class - \$10 material cost

Tuesdays 4-7pm starting April 4th.

Come learn how to design and create your very own T-Shirts! We'll teach you how to prepare a screen, set the image, and print your designs on to T-Shirts, patches, posters, etc. Students will need to provide their own clothing to print on.

## Silk Screen Drop-in

\$10 material cost

By appointment only

Silk Screen Drop-in is for young people that have gone through our Silk Screen Intro class on Tuesdays.

Come by and create your own designs and print your own shirts and patches. Call or email to make an appointment to use our studio!

## Advanced Drum, Bass, & Guitar lessons

By Appointment Only

Already know the basics of playing guitar, bass or drums? Want to further develop your skills? Sign up for our advanced lessons!
