Subject: Today is Great Futures Day – Join Me in Supporting Bellevue's Kids!

Dear [Friend's Name],

I hope you're doing well! Today is a special day—it's Great Futures Day, and I'm reaching out to ask for your help in supporting Boys & Girls Clubs of Bellevue. This organization does incredible work providing scholarships for families who need access to their childcare services, giving kids in our community a safe, supportive place to grow and thrive.

With the cost of living rising, more families than ever are relying on the Club. That's why I'm so passionate about helping out today, and I'd love for you to join me. Every dollar we raise will be matched up to \$100,000, so your gift will go twice as far!

You can make your donation here: www.BGCBellevue.org/GreatFuturesDay.

It would mean so much to me if you could chip in—whether it's a small amount or something bigger, it all makes a difference. And if you feel inspired, please share this with anyone else who might want to support this great cause.

Thank you for being such a wonderful friend and for considering this. Together, we can make a real impact today!

With gratitude,
[Your Name]
